To whom it may concern:

My name is Dumar Beltran, owner of Subway stores 27902 and 23820.

I think extremely highly of Nevil Desai at DTT Surveillance, and therefore it is my great pleasure to write a letter of recommendation on his behalf.

I hired DTT Surveillance over a year ago for service at one of my store locations. Nevil was my contact and he assisted me throughout the process of installation. During this year there were several times, I was in need of support and Nevil was able and willing to assist. He has provided great customer service and technical support many times.

Nevil is an asset to your company and I wanted to thank him and your company for a great service. I have been a satisfied customer and I highly recommend DTT Surveillance.

Sincerely,
Dumar Beltran
